

# Shared Files

The screenshot shows a web interface with a dark blue header labeled 'FILES'. Below it, a white box titled 'Current Shared Files' contains a table with columns: '#', 'File Name', 'Description', and 'Edit'. The table has one row with the number '1', a profile picture icon, the text 'Profile Picture', the description 'My Profile Picture', and an edit icon. Below this table, there are two sections: 'Operator Files' and 'User Files', each containing a row of file icons and a red delete button. At the bottom of the interface, there are links for 'FAQ', 'SUPPORT', and 'NEWS'.

#	File Name	Description	Edit
1	Profile Picture	My Profile Picture	

Manage all your files uploaded through the form on the left and as well all files shared from the operator or website visitors. Remove them by clicking on the red button.

The screenshot shows a web interface with a dark blue header. Below it, a white box titled 'Upload New File' contains a text input field with a file icon, a list of supported file formats (.zip, .rar, .jpg, .jpeg, .png, .gif), and a 'File Name' input field. To the right, a detailed view of the 'Edit' and 'Delete' buttons is shown. The 'Edit' button is a grey button with a pencil icon, and the 'Delete' button is a red button with a trash can icon. Below these buttons, the labels 'Edit' and 'Delete' are shown in bold text.

**Edit** **Delete**

The upload form gives you the option to upload one file at the time.

You can "Edit" and "Delete" each individual file by clicking on the grey or red button.
