

Live Chat 3 - Site Navigation

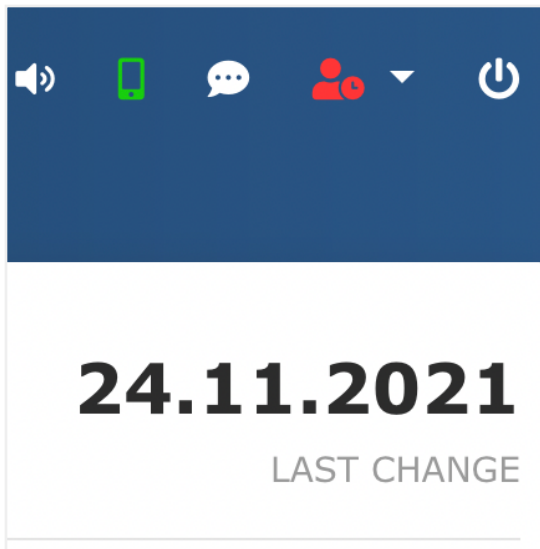

How to navigate in the operator panel.

On the left hand side you will find the main navigation with access to all areas you have access too. Normally as a super operator you have access to all areas. In your profile you can set the colour and the size of the sidebar.

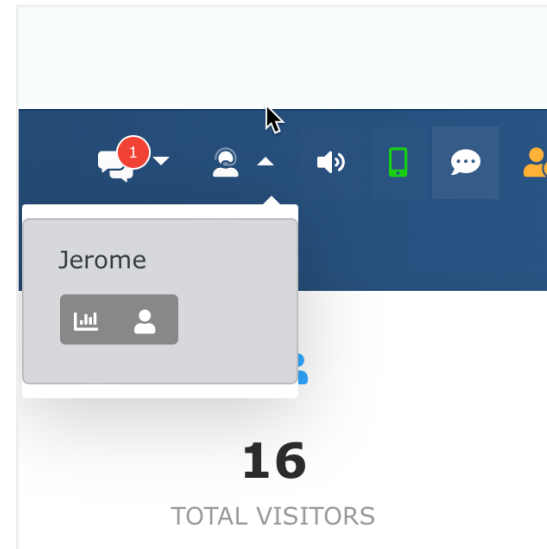

When you are online you can receive new chat conversations, this are showing with a new icon left to the sound notifications link. Click on the client name to accept the chat and start the conversation.

On the top right corner you will find quick navigation links. From left to right:

- Sound Notification
- Mobile Notification
- Operator Group Chat
- Your Live Chat Status
- Logout

One more icons appear when there are more than 1 Operator is online and the operators have the permission to contact each other privately or see each others information. Set in each profile by the super op.
