

Copyright and Publishing License

Live Chat / HelpDesk Application for IOS and Android.

The Client acknowledge and agree as follows:

1. The Client acknowledge that the source code of the iOS and Android app is sold as is and there is no money back guarantee.
2. The Client agrees that he will modify the apps that they are not published to the app store exactly the same as they are. The Client will change at least, the graphics, Logo, Icons and colours for the app.
3. The Client acknowledge and agree that there is no support and no help for the app source code for Live Chat 3 and HelpDesk 3.
4. The Client acknowledge and agree that there is no support and no help for publishing the app to the app store.
5. The Client agree to not publish or sell any code, details, images or content from the Live Chat App produced from JAKWEB without our (JAKWEB) prior written permission.
6. I (The Client) state that I have the authority to sign this copyright assignment form.
